*6.3.2.9 If a horse is claimed, no right, title or interest therein shall be sold or transferred except in a claiming race for a period of thirty (30) days following the date of the claiming.*

*6.3.3.15 No horse claimed out of a claiming race shall be eligible to start in any race in the name or interest of the prior owner for 30 days, nor shall such horse remain in the same stable or under the care or management of the prior owner or trainer, or anyone connected there with unless reclaimed out of another claiming race. Further, such claimed horse shall only be eligible to enter in races in the state of Delaware for a period of 60 days following the date of the claim, unless released in writing by the DHRC Administrator and Presiding Judge. A written release shall be granted in the sole discretion of the DHRC Administrator and Presiding Judge only upon a finding that the transfer does not have the potential to harm the local pool of available racing stock.*

Declarations to race and entering in any other jurisdiction (including qualifying) races within 60 days of claiming a horse without a release, shall constitute a violation of DHRC Rule 6.3.3.15. Failure to comply with all aspects of this rule shall result in a major penalty. This rule is in effect during dark days and after the racing meet ends.
